

In the Specification

Please find enclosed replacement sheets 26, 28, 29, and, 30, each containing amendment/correction of an 'obvious-to-correct' typographical or editorial error.

In sheet 26, lines 7 - 8, of the published originally filed application, the word "of" in the sentence "Animals were designated as having SVF of VF failed to terminate spontaneously within 90 sec, and required electrical defibrillation." has been amended/corrected to the word "if", now appearing in the amended/corrected sentence "Animals were designated as having SVF if VF failed to terminate spontaneously within 90 sec, and required electrical defibrillation.".

In sheet 28, lines 20 - 21, of the published originally filed application, the number "3" in the phrase "derivatives, in a pharmaceutically acceptable carrier as described in Example 3 above, to a subject to be treated." has been amended/corrected to the number "5", now appearing in the amended/corrected phrase "derivatives, in a pharmaceutically acceptable carrier as described in Example 5 above, to a subject to be treated.".

Similar to correction of original sheet 28, in sheet 29, lines 12 - 13, of the published originally filed application, the number "3" in the phrase "suitable pharmaceutical carrier, as described in Example 3 above," has been amended/corrected to the number "5", now appearing in the amended/corrected phrase "suitable pharmaceutical carrier, as described in Example 5 above,".

In sheet 30, for cited reference number 6. of the published originally filed application, the title of the cited reference has been amended/corrected to read "A new group of defibrillatory drugs in the classification of antiarrhythmic agents".

The Applicants respectfully request incorporation of the above amendments / corrections.

In the Claims

Please find enclosed replacement sheets 32 - 40, including a complete replacement set of claims numbered 1 to 40, hereby replacing original claims 1 - 45 appearing in original sheets 32 - 40 of the published originally filed application.

The content of the amendments in the claims is as follows:

Independent claim 1, and dependent claim 2, therefrom, have been amended.

Independent claim 6 has been amended.
